

Biff and the big red bug

Written and illustrated by Ashley Smith

Biff is a pup.

Biff is glad. Biff gets to
rest when he gets to his
bed.

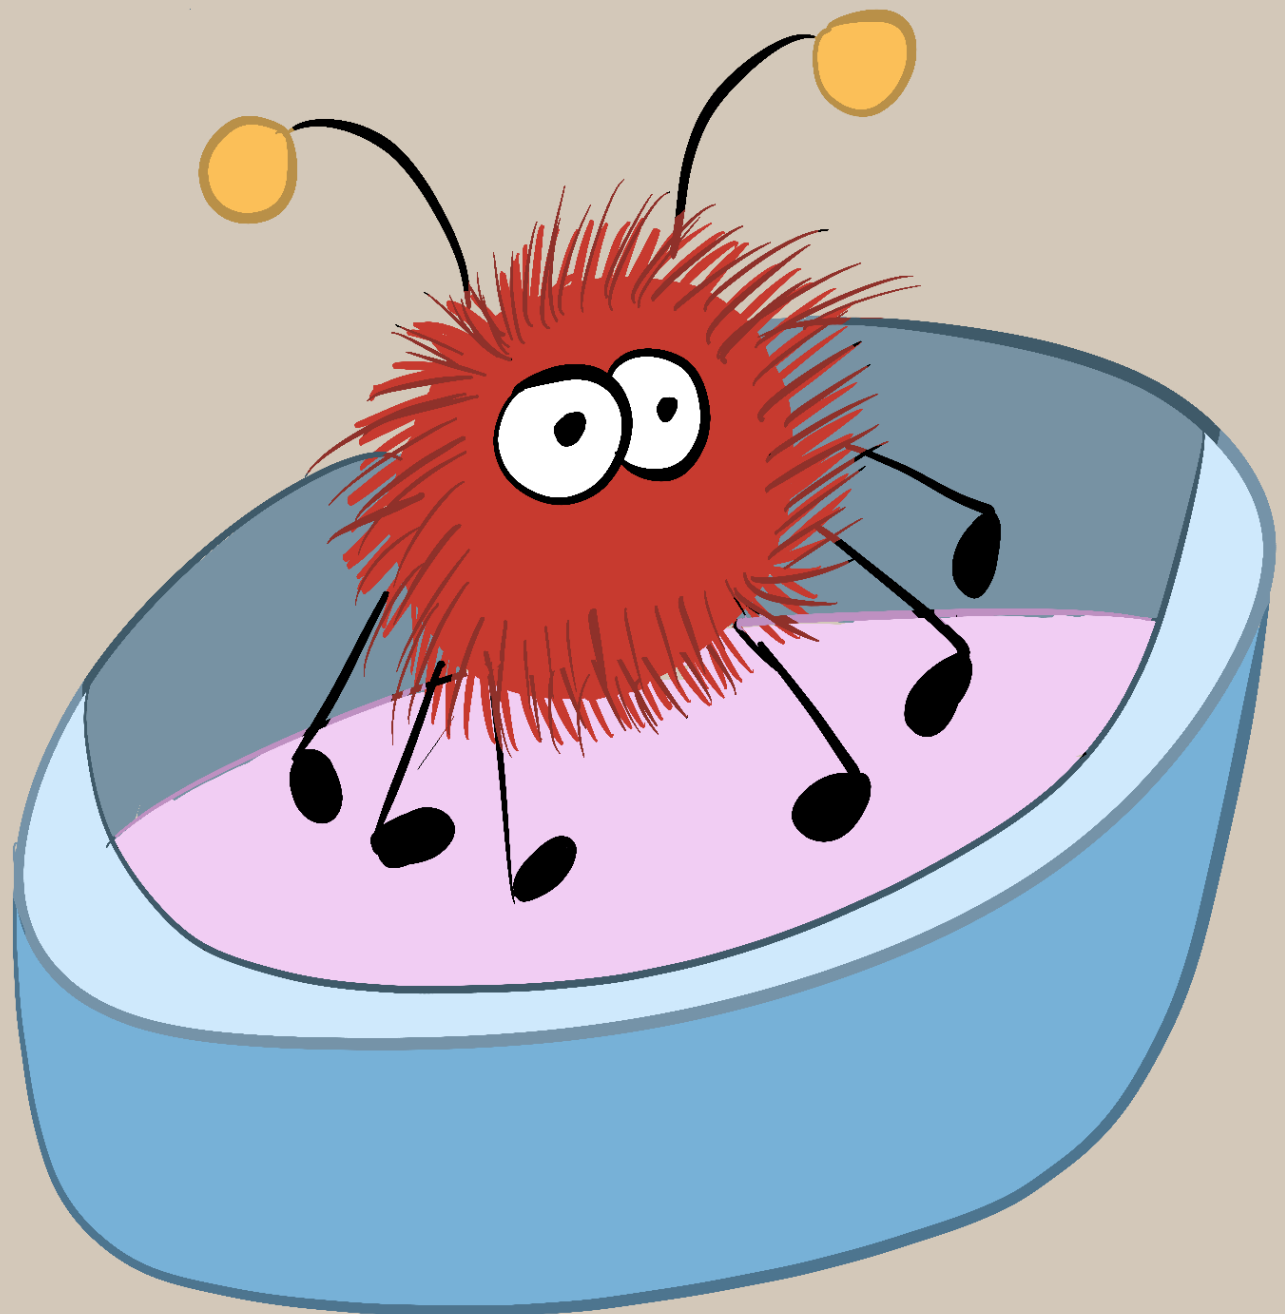

Biff runs to his bed.
He must rest. Yes!

But when Biff gets to his
bed, he is met with a big
shock!

A big red bug is in
Biff's soft bed!

Biff is mad. Biff has to get
the big, bad, red bug off
his bed as fast as he can!

Biff grabs the big red
bug and drags him to the
grass.

The bug is back in its
black bug hut. It is glad to
be back.

At last, Biff can nap!
Rest is the best!
